

MY FUTURE SELF

Through Snap the Gap, you've learned about what other people are famous for in science, technology, engineering, and math. Now it's time to imagine what you will be famous for when you are older. Tell us what kind of job you will have, and draw a picture of you at that job!

When I am older, I will be a(n): _____

A large, empty rectangular box with a light blue border, intended for drawing a picture of the student at their future job.
